I have made two statements to Detective Honeyford in relation to a beating which happened in Portadown Town Centre in the early hours of the 27th April 1997. The first statement dated the 11th May 1997 is the correct statement, the second statement that I gave is not correct. At the time I made it up as I was afraid and I now know that it is known by others in Portadown what I said in the second statement and because of that fact I am not prepared to give evidence in Court regarding the second statement.
