

nothing to do with it. I got off side.

And you say you saw the scuffles starting and that was all, you didn't see anybody going down or who was punching who or anything else.

BRIDGETT I seen people just throwing digs, that was it.

The street lighting is quite good there, you could identify people. I mean even at a glance if you look over and see a scuffle, the first thing that would come into your head is there's whoever and there's whoever in the middle of that.

BRIDGETT I don't know the boys by name, a few boys to see like.

You know them to see.

BRIDGETT Yes.

Who's that, the boys that were fighting.

BRIDGETT Aye.
