

B.C.6

Q. So, you wrote your notebook in the station as well?

A. Yes.

Q. At that stage am I right in saying that you knew that there was at least one person who had been badly injured?

A. Yes, that is correct.

Q. Am I right in saying that you also knew at that stage that there was some suggestion that the police had sat and watched this happen and had done nothing?

A. Yes, My Lord, that is correct.

Q. You were aware that was the problem, that was why you were being brought in a matter of two hours after you had gone off duty?

A. No, I don't think that was the reason, My Lord.
