

walked down to the old Interpar Shop where I  
 think the fire rascal stayed here with her. He  
 down the right hand side of the street, saw Wayne  
 near to Bennett shop went over had a look  
 in his hand, said he helped him up because he had  
 difficulty breathing. Said he later saw him at the  
 America Irish Bar, police car arrived here then  
 Street but was later arrested and released. Blowing  
 States he did not witness the assault saw women crowd  
 2 fella's on the ground, saw Rory Robinson in crowd of  
 people - turn round, also saw ~~the~~ Mick Currie works in  
 the kitchen he was trying to get people to go home and  
 not get involved. States that he heard the people who  
 carried out the assault had been talking to the police a  
 short time before it happened.
