

McBury Assoc. Prof. Julia, Kitchin

4:00 p.m. 13/5/97.

Issues

Medical Evidence.

1) Evidence and Extent of it. - Availability
Interfere
Reliability

3) Bail.

4) R/Const Atkinson

5) M.R. Prof Crane - Head Injury
at least.

P.M. - Head Injury - 12 weeks until
brain surgery - unable to determine specific cause of
death. - possible septicaemia.

NB Police initially advised by hospital that
there was no problem - serious but should
