RD.
1015. Received tel call from DC [redacted] to say that Andrea McKee had telephoned Armagh Communicables working to speak to someone about the case tomorrow. She stated that her son was sick and she was unable to attend court tomorrow. Mr [redacted] aware and requests that I ring Andrea to see if there is anything we can do to help her situation.
1030 Telephoned Andrea on her mobile [redacted] and ascertained that her son [redacted] has mumps and orchitis (swelling of the testes - complication of mumps) and a raised temperature (there is a fear that he may have a fit with this high temperature). Andrea explained that this illness started two weeks ago with an ear infection and since then Sam has seen the doctor twice at the surgery and once at home. He is to see the doctor again tomorrow morning. He is currently on medication - Amoxicillin and Calol. The Dr involved is Dr [redacted] Stratmore Surgery, Clester Rd Wreaxton. When asked if there was anything we could do to
