

Dear Gordon

re Consultations.

I refer to our telephone conversation.  
I enclose a part of the police investigation file. This part contains an extremely helpful and well set out police report and most of the witness statements. (I have retained the interviews of the accused and part IV which are contained in two other large binders.)

The police report contains very helpful summaries of the interviews of the accused.

I will endeavour to get for you the statements of witnesses A + B which are not on file. A summary of their evidence is on the police report.

I have asked police to arrange consultations with:—

① witnesses A + B

② Colin Prunty

③ Jonathan Wright

Other witnesses can be consulted with if you deem that appropriate.

I will be in touch concerning times + venues

Roger
