

about what the police did or did not do. In fact, I do not even remember Robert Hamill's murder at all and I had to ask my son, Robert, about it. I do not know how I came to make my statement dated November 2000 nor do I know why I did not go to the police earlier in 1997 to tell them what is contained in the statement.

5. I am married to [REDACTED]). Our relationship now is very much on and off and I mostly now live with my sister.
6. In April 1997, I lived in Craigavon with my son Robert, my wife [REDACTED] and her daughter Tracey Clarke. [REDACTED]'s brother, Michael McKee and his wife Andrea lived opposite us. I had not been living in Craigavon for very long at that stage. Before that I had lived in Lisburn and Hillsborough. I did not really know anyone in Craigavon at the time. I met Irene in Hillsborough at one of Michael's judo events there.
7. I honestly do not remember how close I was to the McKees in 1997. I am no longer in touch with them. I would guess though that I was never close to them.
8. As for Tracey, I have to say that Tracey and I never really hit it off. I do not see her at all these days but have heard that she lives with Allister Hanvey and they have two daughters. Back in April 1997 she was close to Andrea and Michael McKee. I can't be sure now whether she would often stay the night at their house but there is just something telling me that Andrea, Michael and Tracey seemed to go to together.
9. I have been asked if I knew Stacey Bridgett, Marc Hobson, Wayne Lunt, Rory Robinson, Andrew Allen, Phillip Lunt, Leanne Hobson, Lisa Hobson, Bobby Jameson, Timothy Jameson, Andrew Osbourne, Constable Allan Neil and Reserve Constables Robert Atkinson, P40 and Cornett. I did not and do not now know any of the people save for Robert Atkinson.

10. I knew of Reserve Constable Robert Atkinson as he was friends with [REDACTED]'s brother, Michael McKee. However, I don't think that I ever spoke to him and I have never spoken to him or any of the Atkinsons about the Robert Hamill murder. I just knew that Robert Atkinson was friends with Michael. Similarly, I knew Allister Hanvey by name but did not speak to him or anyone from his family about the Robert Hamill murder.

11. I am unable to add anything further after all this time and because of my drink problem.
