COPY JOURNAL ENTRY N490 [REDACTED] DUTY 081100

2 45 pm

Accompanied ;by DS [REDACTED], spoke to Mr Sean Hagan, solicitor at his offices in Portadown. I outlined to Mr Hagan the nature of our enquiries which concerned his client Robert Atkinson and Andrea McKee who had made an alibi statement in his office on 29 10 97 with regards to a phone call made from Atkinsons home to the home of Alistar Hanvey, on the morning of 27/4/97. He recalled the statement being made and D/I Irwin, this statement was made at his office. I outlined two issues which were relevant to my investigation firstly, the payment of his bill in relation to Andrea McKee's interview by D/I Irwin and secondly information which he may have how the arrangement was made for Andrea McKee to attend his office on that date. He said that as far as he could recall, there was no bill issued in respect of Andrea McKee's interview, but that he would need to refer to his file to confirm that. He said that in respect of how the arrangement came about, he could not recall how it was arranged and would need to consult his files although he may have no records of this. Mr Hagan said that as he acted for Robert Atkinson he felt that he was obliged as his legal

representative to contact Robert Atkinson. Mr Hagan outlined what he was going to do on contacting Mr Atkinson, firstly that he would be informing him that he had had an interview with us today, secondly that he be informing him that Andrea McKee had been interviewed by the Police and thirdly that we had sought information from him (Mr Hagan) about (1) the payment of the bill in respect of Andrea McKee and (2) who arranged for Andrea McKee to attend his office to be interviewed. Mr Hagan said that he would do that, consult his files and would get back in touch with us as soon as possible. I gave Mr Hagan my work and mobile telephone numbers. Returned to office.
