Dear P39

Thank you for your reply to my request to interview you dated 13 October 2001. In response to it, I should like to point out that I am aware of the investigation being carried out by [REDACTED]. I wish to explain that the investigation which I have been instructed to conduct, covers a number of different aspects to his and I believe that your co-operation would greatly assist me in that task.

I note from your letter that you no longer have your journal. I would be grateful if you could inform me where it may be. I should also like to enquire if you can indicate whether or not a Conference Book was kept in relation to the assault on Robert Hamill prior to his death and where it might be located.

I am aware that after his death, the HOLMES system was introduced including the Policy Book which is available to me.

In conclusion, I would like to reiterate the point that your assistance with my investigation would be of great value. I will be in a position to meet with you at a time and place of your convenience.

Yours sincerely

L K KENNEDY
