YOUR REF:

Mr John L Leckey LL.M  
HM Coroner for Greater Belfast  
Coroner's Office

BMcG/A/MS.H6

10 February 2000

Dear Sir

Re: Robert Hamill, deceased

I received today with some disappointment your letter of 8 February 2000.

No doubt I will be corresponding with your further but in the meantime could you please confirm you will furnish statements of witnesses A and B, the contents of which we have already discussed at our recent meetings on 10 and 24 January this year.

I am also anxious to obtain full pre-inquest disclosure before any arrangements to hold this inquest are made. Could you please also furnish a schedule of available material as soon as ever possible.

Yours sincerely
