Dear Sirs

Re: R -V- MARC HOBSON BILL: 122/98

I refer to previous correspondence.

I received your letter of 18th September 1998 and from Detective Sergeant Bradley two copies of Exhibit number 1 photograph and two copies of Exhibit number 5 photograph. A third copy would have been appreciated of each. I also received the following maps (two copies of each):--

Exhibit 3.2
Exhibit 3.1
Exhibit 4.2

Map relevant to additional evidence of 14th September 1998.

With regard to Exhibit 4.2 clearly there should be photographs referring to this. None have been received. Three copies would be appreciated.

Yours faithfully

CR Monteith
