From Det Con Kevin Whitehead CID Wrexham.

D.I.

Re the Pendine surgery in Wrexham.

All the records for the whole week-end from the 18th December 2003 have been checked tonight.

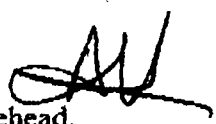

They have no records of any calls made by Andrea and no records of a doctor visiting her address over that period of time.

The on call locum doctor for that week-end has also been spoken to, and again there are no records regarding Andrea.

Its not much help to you.

Is it possible that she has her week-ends mixed up.

Regards,

Kevin Whitehead.
