|--|
| RD de.   |
| SUNDAY 21/2/03   |
| RD.  |
| 1015. Received tel call from DC [redacted] to say that Andrea McKee had telephoned Armagh Communicables working to speak to someone about the case tomorrow. She stated that her son was sick and she was unable to attend court tomorrow. Mr [redacted] aware and requests that I ring Andrea to see if there is anything we can do to help her situation.  |
| 1030 Telephoned Andrea on her mobile [redacted] and ascertained that her son [redacted] has mumps and orchitis (swelling of the testes - complication of mumps) and a raised temperature (there is a fear that he may have a bit with this high temperature Andrea explained that this illness started two weeks ago with an ear infection and since then Sam has seen the doctor twice at the surgery and once at home. He is to see the doctor again tomorrow morning. He is currently on medication - Amoxicillin and Calol. The Dr involved is Dr [redacted] Strathmore Surgery, Clester Rd Wrexham. When asked if there was anything we could do to |

help Andrea said 'No not at the moment' her child - was sick and she was not prepared to leave him with anyone. Andrea was very apologetic but said she could not attend court with the child so sick. Asked if she could attend on Tuesday 23rd she said, 'Definitely not' Asked about next Monday and Tuesday - said she didn't know but felt that she would have to say No as she didn't know how much better [redacted] would be and she would not leave him if he was ill. Asked about future dates said she goes back to

18 College at the beginning of January and if possible would like to get this over and done with before the work load at college become too much in first couple of weeks in January. She said an ideal time would be half term in February 15th-23rd. Again stressed how sorry she was for "mucking things up" Told her I would be in touch re future arrangements

1045 Telephoned Mr [redacted] explained situation to him. Instructed me to ring Dr McCrea & tell him to contact Mr Morrison DPP and explain situation to him.

1055 Telephoned [redacted] and

was off until Wednesday but there were two other doctors at the practice - Dr [redacted] and Dr [redacted] and she said that she would get one of them to fax me a report ASAP

1045 Again rang Strathmore Surgery and spoke to Andrea - she stated that neither Dr [redacted] or Dr [redacted] would get involved by committing themselves to papers. She stated that Dr [redacted] would be back on Wednesday & it was with A reported this to Christine Smith OPP. who related this to defence.

Medical certificate to be produced to defence before 20 020104. DIC [redacted] to contact Police in Wrexham to arrange same.

Returned to Craig Barracks 1415 Telephoned Andrea [redacted] to enquire about her son. Stated that she had taken him back to the doctors today and he now has a respiratory infection. Told her that a possible date for the PI may be 080304. She stated that she would be well into her case work by then but she would come if need be. She said that if ~~the~~ it went on for more than one day she would have to consider bringing the child
