2 9 pm < 21.16.  
11/5/97.

4 Officers in the Land Rover - sleeping  
had been on duty since 4 pm +  
were on overtime but didn't want to be there.

One of these officers owns / runs a club at the top  
of the Brownstown Road - Jameson's Enterprises  
- Atkinson by name. (Handy)

One of those arrested - Handy is involved in this  
Karate Club + it was he who felled Robert.

The police officers were wakened by the  
two girls (with Robert). They saw people jumping  
on Robert's head.

(Name Stacy B<sup>ett</sup>udget?) - charged.

There were 3 men + one woman in the  
Land Rover. The woman was unable / useless  
to help / act.

There are 2 weak links in this team  
- woman + a Man officer (not Atkinson)

They were detailed to be there - to protect  
- the people coming from St Patricks.
