Title: ROUGH NOTES OF INTERVIEW OF N517 FINNEGAN

ROUGH NOTES OF INTERVIEW OF N517 FINNEGAN

Interview notes with Glynis Finegan. I know Andrea McKee for about 10 years. Got to know her through the TKD Club. Knew Michael McKee as well. Knew Robert and Eleanor Atkinson a lot better. Eleanor did phone Glynis Finegan's home on a couple occasions to arrange competitions and travel etc. Glynis Finegan's son [REDACTED] was a member of the TKD Club. Didn't really like Robert Atkinson because he tended to throw his weight about. At the time of the assault on Robert Hamill didn't really know very much about everything except that Robert Atkinson was in a bit of trouble and seemed nervous. Didn't really know what about except saw a programme on TV and thought that police didn't do much to help Robert Hamill and that was the reason that Robert Atkinson was in trouble. Andrea was close to Glynis after she split up from Michael two years ago last April. Gave Glynis a dresser belonging to Jim McKee, Michael's father - Michael came and collected this dresser a couple of months ago - Glynis doesn't say very much to Michael as he didn't treat [REDACTED] her son very well. Andrea told Glynis that her and Michael were in trouble - she told her that Michael and her had said they stayed in Robert Atkinson's house overnight, when they didn't. She said this had something to do with the Hamill murder. She was more concerned that Michael her husband had said this and she had to back it up. Glynis doesn't know why they had to say they were in Atkinson's house. *Andrea told Glynis the night they had to say they stayed in Atkinson's they were at their own home at [REDACTED] and Rodders and his girlfriend Joy were with them* Glynis doesn't when she heard this* if it was a couple of months ago

or a year ago. It definitely wasn't at the time as the two Atkinson's and McKee's (Andrea and Michael, Robert and Eleanor) were very friendly. Glynis has never had a conversation with Robert and Eleanor Atkinson about any of this. It never came up in conversation and Andrea only ever started to tell Glynis after she had left Michael. Doesn't remember mobile numbers going to check!
