

STATEMENT OF WITNESS B

walked on in front of us and Kyle and I followed behind. I walked up past McMahon's Clothes Shop and Ronnie Mays Pub, Kyle was with me. When I got as far as Ronnie's Pub I could see a crowd of approximately fifteen to twenty persons fighting in the middle of the town. I walked towards the crowd. There was fellows punching each other and I observed a fellow with a Umbro sweater, grey colour and I think blue jeans, fighting with another fellow. This fellow I know to see, he lives in [REDACTED] and is called Marc, he is also called 'Muck'. I know this fellow to see about town, Marc has very short brown hair, goatie beard and is overweight. I think he was wearing a black leather jacket. I was standing four to five feet from Marc. The street lights were on. Marc was punching this fellow in the face with his fist, that's the fellow with the Umbro sweater on. This fellow was fighting back, but Marc was getting the better of him. Marc knocked this fellow to the ground, he was lying on the middle of the road, opposite the bakery on the corner 'Number Seven', on the side of the street the cars drive up the town. This fellow lay there for about one minute and got up again. I didn't see Marc hit him while he was on the ground. Marc then started fighting with another fellow. This was a man wearing a blue shirt and tie in his mid 30's with short hair, I think ginger colour. This man was trying to stop the fighting and I saw Marc grabbing this man and throwing him out of his way. I also noticed a Police landrover parked at the Halifax Building Society facing down the street. The landrover was parked at the side of street. I didn't see any Police get out of it. I then noticed Rory Robinson fighting. I don't know who he was fighting
