

there, P40 [redacted].

So what happens then when you were at the landrover.

FORBES We were standing talking away and then the woman police officer started talking to us and she was saying you know like, she said to Stacey about his shirt or something, you know, Ralph Lauren, that was a bit dear or something and we were just carrying on with her and then I saw her ring. Heres me, are you mad in the she just laughed.

You see that lady police officer in fact told yous to move on, she did have a conversation with you but told yous to move on.

FORBES Yes that was whenever the police officer that was driving the landrover was either struck or pushed (inaudible).

Yes.

FORBES And then that was whenever she said get blow town you know get out of here or get away and
