street and quite a few people who seemed to be moving off. Kyle said there'd been a fight. Davy went on home in his car and Kyle, Johnny and I got a Call A Cab home. It was a lady driver. She dropped us at my home and the other two walked on from there. I didn't see the fight itself and don't know who was involved in it. I know some of the people who were on the Coach bus to see but apart from my own crowd I don't know any of their names.
