house and joined the others there. This must have been after 3 am.
At the house I recall seeing Pauline, [REDACTED] sister, Shelly Liggett,
Kelly Lavery, Alister Hanvey, Dean Forbes, Jason Woods, Marc Hobson,
Stephen Bloomer, P46 [REDACTED], Chris Henderson and Andrew Allen.
Most were sleeping. I didn't hear any talk about a row in the centre
of the town. It was just general chat. I left at about half five a
quarter to six. Stephen Bloomer and I got a taxi home from Call A
Cab. We walked to the office from [REDACTED].
