by whom statement was recorded or received

I am the above named and my address is known to Police. On Saturday 26 April 1997, I was at my home with a friend Wendy McBurney who is a neighbour. My son Simon was in the rear yard in a shed with three friends P44 Kyle Woods and P51 They were playing music and stayed in the shed throughout the evening. At approximately 12 30 am on 27 April 1997 Simon my son asked if he and his friends could go to the Chinese in West Street, Portadown. I gave them permission to go and they left on foot to walk to the Chinese. Just after 1 00 am I decided to go and look for Simon and his friends as they had not returned home. Wendy and I walked down to West Street to the Chinese but there was no sign of the boys so we walked on down to Intersport. The four boys were standing outside Intersport. I shouted to them, "Are you ready." The boys then walked back up with Wendy and I to my home, stopping at the Chinese to get a take away. I saw no fighting in the town when I went down to get the boys. The boys did not discuss a fight with me.
