Further to my statement, dated 27th April 1997, I have been asked to clarify my recollection of the attack on Robert Hamill. I can remember seeing Robert Hamill lying on the roadway, across from Eastwoods shop, his head was closer to the central reservation. I was standing at or near the central reservation, about the area of the pelican crossing. I was involved in breaking up another fight, when I saw a person I now know to be Marc Hobson, standing beside Robert Hamill, at his head and shoulders, as Hamill lay on the road. He was a couple of feet away from Hamill at the very most. Hobson seemed to speak or say something to Hamill. I had a clear line of vision to Hamill and Hobson and after Hobson spoke a few words to Hamill, Hobson kicked at Hamill, in the shoulder or head area. I can clearly visualise Hobson kick at Hamill once. I am not certain whether he made contact with Hamill or not.
