SUBJECT: WITNESS 'A' AND WITNESS 'B' - DPP FILE

TO:

P39

PORTADOWN

Please find attached the following documents which relate to Witness 'A' and Witness 'B' outlined in the attached DPP file:-

Witness 'A' namely Tracy Annette Clarke, 17 years of [REDACTED] Craigavon:-

- Proformae - dated 8 5 97
- Witness Statement - dated 9 5 97

It should be noted Clarke is the ex-girlfriend of one of the accused, Alister Hanvey. At present she lives in a predominantly protestant area of [REDACTED] in which the Loyalist Volunteer Force have a substantial following. She lives with her parents but due to ongoing pressure she periodically resides with relatives in the Enniskillen area. Due to this incident she alleges she has had to terminate 2 temporary employment posts, both in the Portadown area. She would have known the personalities named, through her association with the 'Banbridge Scene' her relationship with Hanvey and through her girlfriends.

Due to the implications made reference a serving Police Officer namely R/Constable Atkinson, who has many contacts within the Portadown Station, but who now serves in Craigavon RUC Station, it was felt appropriate to refrain from identifying the witness at this stage. In addition a separate DPP file is being submitted which will include this allegation.
