

been recorded by P39 until Mr McBurney took command.
Not a single decision was recorded thereafter.

15.09 There is no evidence to support disciplinary action against DC Honeyford. By all versions of events he was told to see Timothy Jameson as a witness, which is what he did. He was not present at the earlier meeting when Constable McCaw spoke to DCS McBurney and others.

15.08 Finally I have reviewed all material in relation to the handling of both Timothy Jameson and Andrea McKee, there is no evidence of any impropriety on the part of either DC Honeyford or DI Irwin, during their dealings with the witnesses named above.
