SUBJECT: NON ATTENDANCE AT PUBLIC ORDER TRAINING

TO: SERGEANT [REDACTED]

I am detailed to attend Public Order Training on 24 May 1997.
I am at present having problems with my right knee. This is as a result of an injury on duty on 12 October 1996 which forced me to take 15 weeks sick leave. I feel that because of the physical nature of the course and as it is approximately 12 hours in duration that it would further aggravate my injury. I therefore respectfully request that my name be withdrawn from the list for this course.
