help Andrea said 'No not at the moment' her child - was sick and she was not prepared to leave him with anyone. Andrea was very apologetic but said she could not attend court with the child so sick. Asked if she could attend on Tuesday 23rd she said, 'Definitely not' Asked about next Monday and Tuesday - said she didn't know but felt that she would have to say No as she didn't know how much better [redacted] would be and she would not leave him if he was ill. Asked about future dates said she goes back to

18 College at the beginning of January and if possible would like to get this over and done with before the work load at college become too much in first couple of weeks in January. She said an ideal time would be half term in February 15th-23rd.

Again stressed how sorry she was for "mucking things up" Told her I would be in touch re future arrangements

1045 Telephoned Mr [redacted] & explained situation to him. Instructed me to ring Dr McCree & tell him to contact Mr Morrison DPO and explain situation to him.

1055 Telephoned [redacted] and
