was off until Wednesday but there were two other doctors at the practice - Dr [redacted] and Dr [redacted] and she said that she would get one of them to fax me a report ASAP

1045 Again rang Strathmore Surgery and spoke to Andrea - she stated that neither Dr [redacted] or Dr [redacted] would get involved by committing themselves to papers. She stated that Dr [redacted] would be back on Wednesday. It was also with A reported this to Christine Smith OPP. who related this to defence.

Medical certificate to be produced to defence before 20 020104. DIC [redacted] to contact Police in Wrexham to arrange same.

1415 Returned to Craig Barracks. Telephoned Andrea [redacted] to enquire about her son. Stated that she had taken him back to the doctors today and he now has a respiratory infection. Told her that a possible date for the PI may be 080304. She stated that she would be well into her case work by then but she would come if need be. She said that if it went on for more than one day she would have to consider bringing the child
