

## STATEMENT OF WITNESS

### STATEMENT OF RAYMOND WHITE

DATED THIS 26<sup>th</sup> DAY OF January, 2009

I, RAYMOND WHITE, declare that this statement is true to the best of my knowledge and belief and I make it knowing that if it is tendered in evidence at the Inquiry I will be liable to prosecution if I have wilfully stated in it anything which I know to be false or do not believe to be true.

1. The Inquiry has disclosed a number of documents to me. Where I make specific reference to a document in my statement I have given the number of the relevant page.
2. I was first interviewed for the Inquiry on 29<sup>th</sup> June 2006, and subsequently I made a statement dated 25<sup>th</sup> July 2006. This second statement has been prepared subsequent to an additional interview which took place on 19<sup>th</sup> July 2007, and is supplemental to my first witness statement.
3. I have been asked to provide further details about an extract from page 6 of the transcript to my first interview, which says: "*We quality controlled what documentation went forward and we acted as a recipient of any questions that came back from the DPP's office relative to inquiries*".
4. The C2 Department had a quality control function in respect of the standard and timing of the investigations.
5. First and foremost, it is the police's job to ensure that the file put before the Director of Public Prosecution (DPP) contains all the material that is required.
